Comments are appreciated and may be sent to the California Debt and Investment Advisory Commission, 915 Capitol Mall, Room 400, Sacramento, CA 95814. Comments may also be sent by e-mail to CDIAC@treasurer.ca.gov, by calling (916) 653-3269 or by facsimile (916) 654-7440.

SUMMARY

California's state and local agencies sold a total of \$77.3 billion in public debt in 2003. This dollar volume consists of short-term and long-term debt; debt issued for refunding of prior issues and new debt – all issued in a variety of ways for a number of purposes. The State of California and its agencies issued \$37.0 billion (46.1 percent of the total dollar volume); local agencies sold \$42.8 billion (53.3 percent of the total dollar volume); and the remainder – \$521 million (0.6 percent) was issued by student loan corporations. The Commission compiles all of the debt issuance information received for the year and reports various aspects of the debt in three publications. First is *The 2003 Annual Report* that summarizes all of the Commission's activities throughout the year and includes a digest of the debt issuance information. Second, CDIAC prepares *The 2003 Summary of California Public Debt Issuance* that includes debt volume information by summary tables.

This report, the third publication, shows all of the public debt issued in California in calendar year 2003 reported to the California Debt and Investment Advisory Commission. Each bond issue includes the name of the issuer, the county, the type and purpose of the issue, the date of the sale, the principal amount of the bonds, and whether or not the issue is a refunding. Each issue also shows the interest rate, the rating, credit enhancement information, the final maturity date, and the major participants in the financings, i.e., bond counsel, financial advisor, underwriter, trustee and credit enhancement provider.

The report is organized chronologically by issuer, beginning with the State of California and its departments and agencies, then local agencies and student loan corporations. Local agency debt is further sorted by county, agencies within counties, and by the sale date of the issue.

Agencies that span several counties (i.e., joint school districts, statewide joint powers agencies, etc.) are listed under multiple counties at the end of the *Local Agencies* section.

This publication, *The 2003 Summary of California Public Debt Issuance*, and *The 2003 Annual Report* may be obtained by contacting the Commission at (916) 653-3269, FAX (916) 654-7440, or through e-mail to CDIAC@treasurer.ca.gov.
